Whitney Venzant serves as the Disability Services Coordinator at the Kennesaw campus. Whitney joined Kennesaw State University in 2017. She is responsible for working with students to create successful academic accommodation plans. Whitney also provides academic coaching opportunities to students who desire to become more skilled in the areas of time management, prioritization, overcoming test anxiety, as well as many other areas of academic success.

Whitney holds a Bachelor of Science degree in Human and Family Development from Georgia Southern University and a Master of Education degree in Mental Health Counseling from Auburn University. When she is not working, Whitney enjoys spending time with friends and family, watching television dramas, online shopping, and cheering on her Auburn Tigers.
